

Delegates Area Committee meeting report January 14, 2019
District 1 Brantford

Hello Ladies and gentlemen, it is my Honor to serve you as the Area 86 western Ontario Panel 68 Delegate. I am a member of the Thursday night group in Milton Ontario, I am an Alcoholic and my Name is Dale S.

Happy New year to everyone. Welcome to District 1 and thank you to Jo-Ann and the committee for hosting us today. Also thank you for all the volunteers setting up our first ACM of 2019, I look forward to serving with and for you all in this the second year of our term.

I have started receiving committee correspondence for the 69th General service conference which will be in Manhattan. As you already know I have been asked to serve on the Report and Charter and Archives Committees.

Report and Charter:

I have a conference call on Monday January 14, 2019 with the committee. This is new. The 68th conference asked for this communication to get a head start for the committee work as some committees have a large work load. And possibly discuss some of the agenda items. One of the agenda items for the report and charter committee should be a revamped service manual which we are to see the first draft this year.

It is generally felt that over the years, with almost every conference making changes to the manual it is starting to get garbled, the publishing department is expected to have this draft for the conference to see.

Archives:

I will be having another conference call for this committee on Thursday January 17, 2019. One of the items I'm sure is coming up is adding a short video clip to the video Markings on the Journey. The clip is of Bill & Lois with Bob & Anne our co-founders and their wife's, this clip was recently given to us.

I will be sending some Agenda topics to the Area committee to discuss and get feedback from the assembly. I will forward them as soon I am able to download from the conference dashboard. I am expecting reports and Conference agenda items by mid-February.

I will be attending the Canadian Eastern Regional Alcoholics Anonymous Service Assembly (CERAASA) in Laval Quebec, February 22-23-24 along with our Alternate Delegate Sandi W. We have not received our assignments yet, but I was talking to the host committee this week and they are being worked on, they also waiting on the agenda items to be posted. The CERAASA committee are still looking for more members to present so if your interested please register asap.

Any AA member may attend this weekend so if you are interested please join us, we will be discussing topic on the agenda for the 69th general service conference. Sandi or I will be happy to answer any questions. Hope to see some of you there.

If I can be of service to you, your Group or District please do not hesitate to contact me. If you would like to have me or Sandi attend your District functions, please let me know as soon as possible so we can schedule our time accordingly.

District Committee Members please add me to your distribution list to receive district minutes and announcements I always read them and enjoy keeping up to date with all the districts. Please remind the District committee of our email addresses.
